Vacancy Announcement

LABORATORY TECHNICIAN

SIGN OF HOPE is the worldwide humanitarian relief service that plans, operates, and support programmes in more than 20 countries in the world. One of the main tasks is to carry out emergency relief worldwide as well as to link relief, rehabilitation and development measures.

In South Sudan, SIGN OF HOPE is running comprehensive and basic health care programmes in close cooperation with local partners (GoSS, Dioceses). A strong focus is laid on building the capacity of local health staff as well as improving the knowledge and self-help capacity of the communities.

The goal of the Sudan mission is to address humanitarian and health crises within southern Sudan while increasing capacity of local structures to deliver effective and quality health care services.
