After in-depth deliberations on the Report of the 70<sup>th</sup> Extraordinary Session of the Council of Ministers to the Summit and the report of the IGAD Special Envoy for South Sudan, the Summit:

### **On South Sudan:**

1. **Took note** of the progress made in the implementation of pre-transitional tasks within the extended one hundred days, and the financial, logistical and coordination related challenges that the implementation of the R-ARCSS is facing especially in relation to transitional security arrangements;
2. **Appreciated** the relentless mediation efforts exerted by the regional Special Envoys from IGAD and South Africa in an attempt to resolve the issue of the number of states and their boundaries; and **noted** that mediation effort of the Special Envoys has hit a deadlock;
3. **Further noted that** only thirteen days are left before the end of the one hundred-day extension of the deadline for the formation of the Revitalized Transitional Government of National Unity (R-TGoNU) on 22<sup>nd</sup> February 2020;
4. **Cognizant of** the fact that the formation of R-TGoNU has been postponed twice in May and November 2019 and that further extension is neither desirable nor feasible at this stage of the peace process;
5. **Further recognizing** that the issue of the number of states and their boundaries is an internal South Sudanese matter and hence solution should come from only from the South Sudanese people;
6. **Underscoring** the need to form an all-inclusive R-TGoNU on firm foundations;

7. **Directed** that a tripartite consultation be held between H.E Prime Minister Hamdock, H.E President Yoweri Museveni and H.E President Salva Kiir Mayardit that included Dr. Riek Machar, Chairman and Commander-in-Chief of SPLM/ A-IO and the IGAD Executive Secretary H.E Dr. Workneh Gebeyehu on the 9<sup>th</sup> February 2020 and report back;
8. **Held** the tripartite consultations as directed by the Summit on the 9<sup>th</sup> February 2020 that reviewed the recommendations made in the report of the 70<sup>th</sup> IGAD Council of Ministers;
9. **Agreed** to the request of the president of South Sudan H.E. Salva Kiir Mayardit to conduct further consultations with his constituents and report back to the IGAD Chair on the 15<sup>th</sup> of February 2020;
10. **Emphasized** the need to speak in one voice and avoid parallel processes that would further complicate the situation;

### **On Locust Invasion**

11. **Endorsed** the three recommendations of the Council on the locust invasion;
  - 11.1 Calling upon Member States to act collectively through IGAD and join forces with neighbors and relevant agencies including the Desert Locust Control Organization towards the total eradication of this pest and address the broader aspects of climate change in the region;
  - 11.2 Urging Member States through the IGAD Secretariat to be proactive in sharing information and best practices to coordinate and build the necessary capacity in combating the locust menace to predict, monitor and control the spread of new swarms; and
  - 11.3 Calling on international and development partners to build the requisite financial, technical and logistical capacities of IGAD Member States, and support ongoing efforts to effectively fight the locust invasion.
12. **Decided** to remain actively seized of these matters.
