

A MOSSAD AGENT IN SOUTHERN SUDAN: 1969-1971 AN OPERATION LOG

9. All these were possible, thanks to the person of David Ben Uziel the Tarzan of Southern Sudan and all members of the six delegations into Southern Sudan who endured so much suffering to achieve the mission impossible.
10. Mr. David Ben Uziel, well known in South Sudan as General John was a King maker in terms of Gen. Joseph Lagu who later became Vice President in Sudan and President of the autonomous Southern Sudan. David was a nation builder and the real conceiver of the present nation called the Republic of South Sudan. David's advice to Southerners to unite and see each other as equals was mechanically achieved and resulted into Independent Nation, but spiritual Unity remains elusive.
